2019

*Chesapeake
Treasures
Chapter of
Smocking Arts Guild of
America*

Find us on Facebook and at www.chesapeaketreasures.org

Welcome to Chesapeake Treasures chapter of the Smocking Arts Guild of America (SAGA). We are glad to have you join us. Chapter meetings are held in the Crofton Library 1681 Reidel Road, Crofton, MD, 21114. *Location is subject to change* so check the chapter website and Facebook page for updates. <https://www.aacpl.net/location/crofton>

The meetings are on the second Thursday of the month from September through June. Business meeting starts 5:45 p.m. followed by refreshments and social time. Brief announcements, Show and Share, Meeting Raffle begin at 6:30 pm and are followed by the evenings Program. December and June meetings are Pot Luck suppers hosted in a member's home. Each member enriches the chapter in some way and we are looking forward to sharing your ideas and interests.

Membership requirements in the chapter are simple. Each fully participating member is encouraged to serve on at least one committee throughout the year, participate in the community service projects, and take part in a fundraiser activity as established by the chapter. Concurrent membership in SAGA is required for all chapter members. This enables us to take full advantage of all programs and services that SAGA has to offer.

Chesapeake Treasures offers a variety of opportunities to increase the membership's skills and knowledge of smocking and related needle arts. In addition to the SAGA programs and correspondence courses available, the chapter has a library for the member's use. The chapter regularly sponsors weekend workshops featuring SAGA teachers from the national level.

With this in mind, some information concerning chapter and SAGA programs is included. We hope you find these items useful and informative. Please feel free to contact the chapter officers, committee chairpersons or any chapter member if you have any questions.

Again, welcome to the Chesapeake Treasures and *happy smocking!*

SAGA CORRESPONDENCE COURSES

Correspondence courses are designed to bring a variety of classes to all members of SAGA regardless of their geographic location. These courses are designed to enrich students' knowledge of techniques while working at their own pace.

SAGA Correspondence Courses meet the standards put forward by the SAGA Education Committee for SAGA approved classes. SAGA encourages teachers to submit proposals for inclusion in this educational program. Students are required to complete each course in one year, starting from the student's receipt of the first lesson of the course. Any exceptions to this policy must have prior approval from the Correspondence Course Chairman and the Teacher. Artisan Points are awarded for completion of the entire course only.

If the student fails to complete the course within one year, fails to notify the teacher, and fails to request an extension, it will be assumed that the student has dropped the course. There will be no refund of fees for uncompleted course work.

Occasionally, a particular group course will reach the maximum number of students who may be enrolled at one time. In this event, the Education Committee Chairman will maintain a waiting list and

notify students as openings become available.

Correspondence Course Questions? Contact the Correspondence Course Chair at correspondencecourse@smocking.org . To view available correspondence courses and to sign up for individual courses go to the SAGA website, www.smocking.org .
